Meet Our Harvest Suppliers

For some years now, Foundry has held a Fall Apple Sale to raise money for Wings of Caring Aviation Ministry in Democratic Republic of Congo. They are deeply grateful for the support we provide for their life-saving medical evacuation services.

As we have expanded our offerings to include apple butter and sweet potatoes, it seems appropriate to rename our event the Foundry United Methodist Church Harvest Sale.

Let us introduce you to our suppliers, who provide Virginia-grown and prepared products straight from the goodness of the earth. Meet Silver Creek and Seamans Orchards, Ann’s Apple Butter, and Kirby Farms.

Let’s not forget Dickie Brothers Orchards, who have provided our apples up to this point. They have unfortunately lost most of their 2025 apple crop due to a spring freeze, but they were kind enough to refer us to Silver Creek and Seamans for our apples this year.
