COMMING IN JULY

250 Years of Independence

UNITED STATES OF AMERICA

FOUNDRY UMC CELEBRATES
SUNDAY JULY 5TH 11:00 AM

2801 Virginia Beach Blvd. Virginia Beach VA 23452

FOUNDRY UMC CELEBRATES 250

Over 250 years ago, our forefathers were drawn to these shores by the promise of freedom - a freedom that would allow them to pursue their dreams without restraint and to worship God in a more meaningful way. Indeed, it was to God that they turned for help and strength during those years of struggle that established this great nation.

As our country celebrates our national heritage since signing the Declaration of Independence, we must reflect as well on our spiritual heritage, as evidenced in America's rich hymns of faith... hymns that have taught and continue to teach us about God's grace, love, justice, provision, and salvation freely given to everyone.

Growing up as a nation and growing up in our faith is not easy. Just as America has struggled, so has the Church. We need reminders that God remains forever holy, powerful, compassionate and faithful... and hymns do just that. They remind us to keep trusting the Lord for God is always working in our lives. As our nation is torn by internal strife and as the threat of world conflict grows stronger, we can be encouraged by divine promises. God hears our prayers of thanksgiving, our prayers of confession, our cries for help, and our calls for peace. God will answer!!

May the hymns sung (and that have been sung countless times these past 250 years) remind you of your freedom in America and your freedom in Christ. May they deepen your faith and give you hope.
